**Pearl City, HI • October 18, 2006 - Sandwich Isle Termite & Pest Control, Inc., a pest management company with 9 years in business in Pearl City, has earned certification as Hawaii's first QualityPro company.**

Becoming achieving certified QualityPro status, Sandwich Isle Termite & Pest Control, Inc. has taken extraordinary steps to ensure consumer confidence. From running criminal background checks on all employees to using environmentally sound Integrated Pest Management (IPM) practices, QualityPro companies are committed to providing consumers with service at the highest possible standards.

"Becoming a QualityPro Company was important to me, because we strive to offer our customers absolutely the best in pest management," said Michael Botha, President.
