Reports To: Fumigation Management

Job Purpose:

Works on a fumigation crew, transporting, setting up, securing, and taking off tarps for the purpose of tent fumigating structures. This is done in accordance with industry/company rules and regulations with compliance to all safety requirements.

Responsibilities:

- * Reliable, prompt attendance is required. Tardiness cannot be tolerated.
- * Be clean cut (read as short hair), groomed (this means cleanly shaved daily), have hair that complies with company policy. Always dress in a clean company uniform with covered shoes suitable for walking on a roof.
- * Be courteous and customer service-minded at all times.
- * Productive use of service time.
- * Be available to respond to unscheduled requests for service.
- * Attend all scheduled training.
- * Follow company policies and procedures.
- * Other duties as assigned.
- * Be able to work on a stepladder and on roofs.

Experience and knowledge:

Experience working alone with indirect supervision is preferred. Good verbal and written skills are necessary. A high school diploma is required. Must be readily able to take and carry out instructions. Must be capable of bending, stooping, kneeling and do lots of walking. Must be able to lift and carry weights up to fifty (50) pounds. Must have a current driver's license with a clean abstract.

Compensation

Starting pay is \$15 per hour (must have a current Driver's License with a clean abstract.)

- \$1 raise after 3 months of employment
- \$1 raise after passing DOA core and 7A certification
- \$1 raise after passing CDL
- Applicants with 7A certification & CDL will have a starting pay of \$18 per hour; experienced crew leaders may negotiate a higher starting pay
